Board of Supervisors
County of Louisa
Tuesday, September 3, 2024
Louisa County Public Meeting Room
5:00 PM

CALL TO ORDER - 5:00 P.M.

Chairman Adams called the September 3, 2024, meeting of the Louisa County Board of Supervisors to order at 5:00 p.m.

Board Member Name	District	Status	Arrived
Duane A. Adams, Chairman	Mineral District	Present	5:00 PM
Tommy J. Barlow, Vice Chairman	Mountain Road District	Present	5:00 PM
Fitzgerald A. Barnes	Patrick Henry District	Present	5:00 PM
Christopher C. McCotter	Cuckoo District	Present	5:00 PM
H. Manning Woodward, III	Louisa District	Present	5:00 PM
R.T. Williams	Jackson District	Present	5:00 PM
Rachel G. Jones	Green Springs District	Present	5:00 PM

Others Present: Christian Goodwin, County Administrator; Patricia Smith, County Attorney; Chris Coon, Deputy County Administrator; Wanda Colvin, Deputy County Administrator/Director of Finance; Alexandra Stanley, Executive Assistant/Deputy Clerk; Linda Buckler, Director of Community Development; Tom Egeland, Deputy Director of Community Development; Andy Wade, Director of Economic Development; Griff Carmichael, Director of Human Resources; and Scott Raettig, Director of Information Technology

CLOSED SESSION

On the motion of Mr. Barlow, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to enter Closed Session at 5:00 p.m. for the purpose of discussing the following:

1. In accordance with §2.2-3711(A)(1) VA Code Ann., discussion, consideration, or interviews of prospective candidates for employment; assignment, appointment, promotion, performance, demotion, salaries, disciplining, or resignation of specific public officers, appointees, or employees of any public body; and
2. In accordance with §2.2-3711(A)(7) VA Code Ann., consultation with legal counsel and briefings by staff members or consultants pertaining to actual or probable litigation, where such consultation or briefing in open meeting would adversely affect the negotiating or litigating posture of the public body; and
3. In accordance with §2.2-.3711 (A)(8), consultation with legal counsel employed or retained by a public body regarding specific legal matters requiring the provision of legal advice by such counsel; and
4. In accordance with §2.2-3711 (A)(39), discussion or consideration of information, subject to the exclusion in subdivision 3 of § 2.2-3705.6 (Exclusion to application of chapter; proprietary records and trade secrets), related to economic development.

REGULAR SESSION

On the motion of Mr. Williams, seconded by Mr. Barnes, which carried by a vote of 7-0,

the Board voted to return to Regular Session at 6:00 p.m.

RESOLUTION - CERTIFICATION OF CLOSED SESSION

Voter	Role	Vote
Tommy J. Barlow	Voter	Yes/Aye
Fitzgerald A. Barnes	Seconder	Yes/Aye
R.T. Williams, Jr.	Mover	Yes/Aye
Christopher C. McCotter	Voter	Yes/Aye
Duane A. Adams	Voter	Yes/Aye
Rachel G. Jones	Voter	Yes/Aye
H. Manning Woodward, III	Voter	Yes/Aye

On the motion of Mr. Williams, seconded by Mr. Barnes, which carried by a vote of 7-0, the Board voted to adopt the following resolution:

WHEREAS, the Louisa County Board of Supervisors has convened a Closed Meeting this 3rd day of September 2024, pursuant to an affirmative recorded vote and in accordance with the provisions of the Virginia Freedom of Information Act; and

WHEREAS, §2.2-3712 of the Code of Virginia requires a certification by the Louisa County Board of Supervisors that such closed meeting was conducted in conformity with the Virginia Law.

NOW, THEREFORE BE IT RESOLVED on this 3rd day of September 2024, that the Louisa County Board of Supervisors does hereby certify that, to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification resolution applies, and (ii) only such public business matters as were identified in the motion convening the closed meeting was heard, discussed or considered by the Louisa County Board of Supervisors.

ADMINISTRATIVE ITEMS - 6:00 P.M.

INVOCATION

Chairman Adams stated the Louisa County Board of Supervisors extend their deepest condolences to the family and friends of Cy Weaver. Cy was a dedicated and longstanding member of the Planning Commission, serving nearly 9 years representing the Jackson District. Chairman Adams invited everyone in attendance to stand and have a moment of silence in remembrance of Cy Weaver.

Mr. McCotter led the invocation, followed by the Pledge of Allegiance.

ADOPTION OF AGENDA

On the motion of Mr. Williams, seconded by Mr. Barnes, which carried by a vote of 7-0, the Board voted to adopt the September 3, 2024, agenda as presented.

MINUTES APPROVAL

Board of Supervisors (BOS) - Regular Meeting – August 5, 2024

On the motion of Mr. Barnes, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to approve the minutes of the August 5, 2024, regular meeting.

BILLS APPROVAL

Resolution – To Approve the Bills for the Month of August 2024 (FY24)

On the motion of Mr. Barnes, seconded by Mr. McCotter, which carried by a vote of 7-0, the Board adopted a resolution approving the bills for the month of August 2024 (FY24).

Resolution – To Approve the Bills for the Month of August 2024 (FY25)

On the motion of Mr. Barnes, seconded by Mr. Williams, which carried by a vote of 7-0, the Board adopted a resolution approving the bills for the month of August 2024 (FY25).

CONSENT AGENDA ITEMS

On the motion of Mr. Barnes, seconded by Ms. Jones, which carried by a vote of 7-0, the Board voted to adopt the Consent Agenda items for September 3, 2024, as follows:

1. Resolution - Authorizing T. Scott Gibson to Purchase His Service Handgun
2. Resolution - Authorizing a Pass Through Appropriation To Human Services Department for Additional Funding for FY 2024
3. Resolution - Pass Through Appropriation for AV Equipment for Clerks Office
4. Resolution- Authorizing a Multi-Jurisdictional Agreement to Apply for a Virginia DHCD Program Planning Block Grant
5. Resolution- Approving FY2024 Budget Re-Appropriations
6. Resolution - Authorizing a Pass Through Appropriation for the Sheriff's Office DMV Select Enforcement Grant
7. Resolution - Pass Through Appropriation to the Louisa County Airport for State Aviation Grant Funding
8. Resolution - Authorizing a Pass Through Appropriation to the Louisa County Airport for Virginia Department of Aviation Grant Funding Received for Fuel Tank Relocation Capital Project
9. Resolution - To Approve and Award a Contract for Liquefied Petroleum Gas Services
10. Resolution - Authorizing a Pass Through Appropriation to the Shannon Hill Utilities Capital Project
11. Resolution - Granting a Waiver for Temporary Conditional Use Permit on 1972 Willow Brook Road in the Jackson District
12. Resolution - Ratifying the Declaration of a Local State of Emergency
13. Resolution - Authorizing the Purchase and Installation of a Storage Building for Equipment at the Louisa County Department of General Services

RECOGNITIONS

Recognition - Thomas Jefferson Soil and Water Conservation District 2023 York Grand Basin Award

The TJSWCD (Thomas Jefferson Soil and Water Conservation District) York Grand Basin Award is an annual recognition give to individuals, businesses, or organizations that demonstrate exceptional stewardship of natural resources within the York River Basin in Virginia. Recipients of this ward are typically honored for their efforts in conservation practices, such as improving water quality, managing soil health, or implementing sustainable land use practices that benefit the ecosystem of the York Basin area. The award highlights local contributions to preserving the environment and promoting sustainable practices.

Fred Massie and Peter Massie are the recipients of the 2023 TJSWCD York River Basin Award. Their 1926 fourth-generation family farm is now operated by Fred Massie and his son Peter Massie. Together they graze 450 acres on multiple farms in the York River Basin, steadily transitioning from an open pasture system to rotational grazing techniques. Fred formed Massie and Sons Farm in 1984 after becoming the primary farm operator. Both father and son grew up on this family farm and bring with them not only many years of experience but also new ideas on how to ensure future success for the farm. Since their work with the district began in 2018, they have installed permanent infrastructure that has protected over 33,000 feet of streambank and has excluded approximately 75 acres of riparian buffers to provide important wildlife corridors. Through permanent and temporary infrastructure, the Massie's have actively transitioned the farm and herd into a rotational grazing schedule, decreasing the amount of hay feeding and improving pasture and soil conditions. Additionally, they have grown their cropping rotation to include cool-season and warm-season cover crops and no-till planting on 35 acres. The duo continue taking steps to further their education, improve their techniques and promote conservation programs to others in their community.

Recognition - Animal Shelter Achievements

The Board of Supervisors recognized the Louisa County Animal Shelter for being a Best Friends no-kill shelter in 2023. This accomplishment means the Animal Shelter achieved a save rate of 90% or more for cats and dogs, and that only animals with irreparable medical or behavioral issues were humanely euthanized. General Services Manager Anderson Woolfolk noted that the save rate is typically upwards of 95%, and for this, the Board commends staff and volunteers as well.

Mr. Goodwin read the resolution of recognition and Vice Chairman Barlow presented a framed copy to the staff at the Louisa County Animal Shelter.

Recognition - Recognizing Ciyanna Okocha for her Wrestling Accomplishments

Ciyanna Okocha is an accomplished Louisa County High School wrestler. Competing in the 155-pound weight class, she boasts an impressive record of 55 wins and only 3 losses as of the 2023-2024 season. Okocha has dominated her matches, securing 25 victories by pins and achieving several technical falls. She participated in prestigious events such as the VAWA Freestyle State Championship, where she consistently performed at high level and won the championship. on April 5-7, 2024, Ciyanna attended the National High School Coaches Association (NHSCA) 35th Annual High School Nationals, her first national event, at the Virginia Beach Sports Complex and earned the All-American title. On June 22, 2024, Ciyanna competed in the National Duals in Indiana and went 5-0 in Greco-Roman wrestling and was named to the Greco-Roman All-Tournament Team at the 2024 16U Women's National Duals. Ciyanna was one of

three women from Virginia and one of only eighteen nationwide athletes selected to the All-Tournament Team, demonstrating exceptional adaptability, resilience, and a commitment to growth.

Mr. Goodwin read the resolution of recognition and Chairman Adams presented a framed copy to Ciyanna.

PUBLIC COMMENT PERIOD

Chairman Adams opened the public comment period.

Ms. Vicky Harte, Louisa District, talked about commercial and industrial development overtaking the rural nature of the County and its impacts on agricultural land.

Ms. Kellie Wilkinson, Louisa County Historical Society, appeared before the Board and provided a brief update on events and happenings at the Louisa County Historical Society.

With no one else wishing to speak, Chairman Adams closed the public comment period.

INFORMATION/DISCUSSION ITEMS

Discussion – Legislative Efforts in the 2025 General Assembly Session

Mr. Goodwin provided a brief overview of the 2025 General Assembly Session and went over the County's Legislative Efforts for 2024.

Mr. David Blount, TJPDC, appeared before the Board to talk about the Commission's regional priority planning and its focus for the 2025 General Assembly Session.

The Board plans to hold a Legislative Worksession in October to go over the County's Legislative Efforts for the upcoming session.

Discussion – Progress Report – Comprehensive Plan Update

Mr. Coon stated staff has been working on several updates to bring before the Board for consideration.

UNFINISHED BUSINESS

Ordinance - Amending Chapter 86. Land Development Regulations (ORD2024-06) Appendix A. Schedule of Fees

Virginia Code § 36-105 allows local governments to levy fees for enforcing the Uniform Statewide Building Code. The purpose of the proposed amendments to Chapter 86. Land Development Regulations - Appendix A. Schedule of Fees, is due to the Community Development department's current fee schedule does not adequately cover the department's operational costs.

The Planning Commission held a public hearing on June 13, 2024, and voted 7-0 that the public

necessity, convenience, general welfare, or good zoning practice compels it to defer the item to the July 11, 2024, Planning Commission meeting.

After last month's discussion with the Board on the proposed schedule of fees, staff provided a tiered fee structure for higher intensive uses or applications that require more staff time. He noted the schedule reflects more accurately to proportional fees for the size/square footage of the application. He said based on the tiered structure, the only fee increase for residential use would only be the notice of public hearing and notification of adjourning property owners.

At a regular meeting of the Louisa County Planning Commission held July 11, 2024, the Planning Commission voted 5-1 that the public necessity, convenience, general welfare, or good zoning practice compels it to make a recommendation of denial to the Louisa County Board of Supervisors and to return the item to staff to review the fees for single-family building permits, conditional use permits, and rezoning applications.

On the motion of Mr. Barnes, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to approve the adoption of Chapter 86. Land Development Regulations (ORD2024-06) Appendix A. Schedule of Fees, with changes.

NEW BUSINESS/ACTION ITEMS

Resolution - To Approve and Award a Contract for Construction of a Synthetic Turf Field - Phase 1

Invitation for Bids # CA-24-05 was issued on June 28, 2024, to solicit bids for Construction of a Synthetic Turf Field - Phase 1. This solicitation was advertised on the County's website, on eVa, Virginia's online e-procurement portal.

Bids were due by 3:30 p.m. on July 22, 2024, at the Louisa County Administration Building. Four (4) bids were received and Hawkins Creek Construction was deemed to be responsive and responsible.

On the motion of Mr. Barnes, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to enter into a contract with Hawkins Creek Construction for Construction of a Synthetic Turf Field - Phase 1, so long as such contract is consistent with the Invitation for Bids and only after the County Attorney for Louisa County, Virginia approves such contract as to form.

Resolution - Authorizing the Purchase of Software, Storage Units, and Boxes for the Fire & EMS Drug Box System

The Department of Fire and EMS will be responsible for handling their own drug boxes effective November 2024. Local hospitals have handled this in the past, but due to changing policies and protocols, each emergency service provider will be required to manage their own. The cost of the needed software, storage units, and boxes to establish one drug box system in a central location for the County will be $56,385. Funding is available in contingencies for the purchase of the aforementioned items and a budget transfer is requested at this time.

On the motion of Mr. Barnes, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to authorize a budget transfer from Contingencies (10091000-410010) to Medical Equipment CIP (30332000-480050) in the amount of $25,250 and Drug Box Software (30332000-482300) in the amount of $31,135 for the purchase of software, storage units, and boxes to establish a drug box system.

REPORTS OF OFFICERS, BOARDS, AND STANDING COMMITTEES

Committee Reports

Mr. Goodwin reported on the Artificial Intelligence (AI) workgroup.

Chairman Adams reported on the African American Heritage Festival.

Ms. Jones reported on the Louisa County Labor Fest.

Board Appointments
(None)

County Administrator's Report

Mr. Goodwin reported that there were several reports and items of correspondence in the Board packet and reminded the Board of several upcoming events.

PUBLIC HEARINGS

Resolution - To Approve/Deny REZ2023-01, SEP2023-03, SEP2023-04, CUP2024-04, W.W. Whitlock Agency, Inc., Owner; Chad Bruner, Loves Travel Stop, Applicant; Sara Harville, CESO, Agent - Rezoning Request

Mr. Egeland presented the staff report for Love's Truck Stop. W.W. Whitlock Agency, Inc., Owner; Chad Bruner, Loves Travel Stop, Applicant; Sara Harville, CESO, Agent requests the following:

Rezoning portions of three (3) parcels together containing approximately 23.4 acres of the total 50.9 +/- acres comprised of the following tax map parcels 100-87 (pt), 100-88 (pt), and 100-90 (pt) from Agricultural (A-2 GAOD) to General Commercial (C-2 GAOD). Parcels 100-87, 100-88, and 100-90 are currently split zoned with the front portion of the properties being zoned General Commercial (C-2 GAOD) and the rear portions of the properties zoned Agricultural (A-2 GAOD).

Issuance of a conditional use permit in accordance with Section 86-431 Permitted uses with a conditional use permit in the (C-2 GAOD) for a "truck stop" to include the following proposed uses: Car Wash, Gasoline Station, Automobile Repair Service, General Store, Restaurant, and Parking Facility.

Special Exceptions in accordance with the following:

(a) Section 86-125-Modification Requests to 86-123 Landscaping Buffering and Screening to

allow for a decreased number of ornamental and shade trees; no parking lot trees or medians in the truck parking areas; and a decreased number of shrubs;

(b) Section 86-125-Modification Requests to 86-124 site design and architectural guidelines to allow for the use of an exterior insulation finishing system (EIFS) preferred by Love's in order to match their prototypical building design and maintain their branding image; and

(c) Section 86-68 Special Exceptions to Section 86-687 Signs permitted in commercial (C-1) and (C-2), industrial (IND, I-1, and I-2), resort development (RD) and planned unit development (PUD) districts to allow for either an increased number or square footage area of signage for business signs, canopy signs, directional signs, and wall signs.

The property is located 0.15 miles south of the Gum Springs Interstate 64 exit on State Route 522 (Cross County Road). The property is located in the Mountain Road Election District. The 2040 Louisa County Comprehensive Plan designates this area of Louisa County as in the Gum Spring Growth Area designated for mixed use.

A total of four Neighborhood Meetings were held for this project. At a regular meeting of the Louisa County Planning Commission held August 8, 2024, the Planning Commission voted that the public necessity, convenience, general welfare, or good zoning practice compels it to make a recommendation of denial to the Louisa County Board of Supervisors on the request of REZ2023-01, to rezone portions of three (3) parcels together containing approximately 23.4 acres of the total 50.9 +/- acres comprised of the following tax map parcels 100-87 (pt), 100-88 (pt), and 100-90 (pt) from Agricultural (A-2 GAOD) to General Commercial (C-2 GAOD), and a recommendation of denial on CUP2024-04, for issuance of a conditional use permit in the (C-2 GAOD) for a "truck stop" to include the following proposed uses: Car Wash, Gasoline Station, Automobile Repair Service, General Store, Restaurant, and Parking Facility.

Chairman Adams went over a list of permitted uses allowed by-right in the C-2 zoning without having to go through the public hearing process.

Mr. Chad Bruner, Applicant - Love's Truck Stop, provided a PowerPoint presentation, which included; an overview of the site and area plan, traffic plan improvements (result of VDOT's approved traffic study), a simulation of peak traffic periods, and details on the proffered buffer plan. He concluded his remarks by going over the water and sewer arrangements for the truck stop.

Ms. Jones asked what Love's contingency plan is if they exceed their capacity for water and sewer.

Mr. Bruner said they have the experience and engineering expertise to accurately assess water and sewer demands. He said they can certainly consider holding tanks and pumps, and other alternatives, if there is a shortage of water.

Ms. Jones and Mr. Bruner conversed briefly about VDOT's assessment on the number of vehicles per day and compared it to other truck stops located in the County. Mr. Bruner indicated that their numbers are driven by historical data which are based off other Love's truck stops throughout the United States.

Ms. Jones asked about the traffic lights indicated on the traffic plan.

Mr. Bruner said the lights are what's called an "allowance" by VDOT, but they will still have to get approval from VDOT for the installation of the lights.

Further questions and comments were addressed by the Board regarding, number of vehicles per day, abandonment of the proposed wells once public water and sewer infrastructure comes available, proximity of the nearest Love's truck stop, and the potential of other trucks stops coming to the area if Love's gets approved.

Chairman Adams opened the public hearing.

Mr. Reagan Davidson, Mountain Road District, Representative for Salem Christian School, spoke in opposition.

Mr. Wayne Thacker, Mountain Road District, spoke in opposition.

Mr. Hunter Benes, Mountain Road District, spoke in opposition.

Mr. William Groome, Mountain Road District, spoke in opposition.

Mr. Mark Byerly, Mountain Road District, spoke in opposition.

Ms. Elaine Taylor, Mountain Road District, spoke in opposition.

Mr. Nathan Seahorn, Mountain Road District, spoke in opposition.

Mr. David Branch, Attorney for Ms. Kaur Owner of the BP and Dairy Queen, spoke in opposition.

Ms. Vicky Harte, Louisa District, spoke in opposition.

Ms. Robin Urheim, Mountain Road District, spoke in opposition.

Ms. Rhonda Lloyd, Mountain Road District, spoke in opposition.

Ms. Celeste Colter, Mountain Road District, spoke in opposition.

Ms. Melanie Cleaver, Mountain Road District, spoke in opposition.

Mr. June Kenney, Mountain Road District, spoke in opposition.

Mr. James Newford, Mountain Road District, spoke in opposition.

Mr. Easton Pruden, Mountain Road District, spoke in opposition.

Mr. Brooking, Goochland County/Salem Christian School, spoke in opposition.

Mr. Bill Rooney, Goochland County/Salem Christian School, spoke in opposition.

Mr. Tom Facinoli, Goochland County, spoke in opposition.

Ms. Irene Griffie, Goochland County, spoke in opposition.

Mr. Mike Yates, Goochland County, spoke in opposition.

Mr. John Jasinski, Goochland County, spoke in opposition.

Ms. Charlotte W/Yang, Goochland County, spoke in opposition.

Ms. Judy Thompson, Goochland County, spoke in opposition.

Ms. Michelle Matts, Goochland County, spoke in opposition.

Ms. Karen Conley/Kohnle, Goochland County, spoke in opposition.

Ms. Amanda Boyer, Goochland County, spoke in opposition.

Ms. Janice Nobel, Goochland County, spoke in opposition.

Chairman Adams acknowledged that staff received written comments that will be made part of the official meeting record (see Appendix A).

Petition opposing Love's Truck Stop has also been made part of the official meeting record (see Appendix B).

Mr. Bruner provided rebuttals to concerns regarding potential traffic, the strain on utilities, and environmental factors.

With no one else wishing to speak, Chairman Adams closed the public hearing.

Chairman Adams shared that his decision will be based on concerns about the plans for water, sewage, and traffic. Additional concerns were addressed by the Board stating the project should not move forward because the truck stop was not in line with the area's mixed-use designation. Several members of the Board expressed interest in having Love's consider alternative locations in the County.

On the motion of Mr. Barlow, seconded by Mr. Barnes, which carried by a vote of 7-0, the Board voted to deny the rezoning request (REZ2023-01) by W.W. Whitlock Agency, Inc., Owner; Chad Bruner, Loves Travel Stop, Applicant; Sara Harville, CESO, Agent.

On the motion of Mr. Barlow, seconded by Mr. McCotter, which carried by a vote of 7-0, the Board to deny the conditional use permit request (CUP2024-04) by W.W. Whitlock Agency, Inc., Owner; Chad Bruner, Loves Travel Stop, Applicant; Sara Harville, CESO, Agent. for issuance of a conditional use permit in accordance with Section 86-431 Permitted uses with a conditional use permit in the (C-2 GAOD) for a "truck stop" to include the following proposed uses: Car Wash, Gasoline Station, Automobile Repair Service, General Store, Restaurant, and Parking Facility.

On the motion of Mr. Barlow, seconded by Ms. Jones, which carried by a vote of 7-0, the Board voted to deny the special exception request (SEP2023-04) by W.W. Whitlock Agency, Inc., Owner; Chad Bruner, Loves Travel Stop, Applicant; Sara Harville, CESO, Agent to Section 86-125-Modification Requests to 86-124 site design and architectural guidelines to allow for the use of an exterior insulation finishing system (EIFS) preferred by Love's in order to match their prototypical building design and maintain their branding image and the special exception request (SEP2023-04) by W.W. Whitlock Agency, Inc., Owner; Chad Bruner, Loves Travel Stop, Applicant; Sara Harville, CESO, Agent to Section 86-68 Special Exceptions to Section 86-687 Signs permitted in commercial (C-1) and (C-2), industrial (IND, I-1, and I-2), resort development (RD) and planned unit development (PUD) districts to allow for either an increased number or square footage area of signage for business signs, canopy signs, directional signs, and wall signs.

Resolution - Accepting a Public-Private Educational Facilities and Infrastructure Act (PPEA) Unsolicited Proposal

Mr. Andy Wade, went over the Guidelines for Implementation of the Public-Private Educational Facilities and Infrastructure Act of 2002 (PPEA) as adopted by the County of Louisa, the County shall hold a public hearing, for the purpose of entering into a comprehensive agreement.

Louisa County is reviewing a proposal to design and construct new water and sewer infrastructure to supply the North Creek Tech Campus ("NCTC") on Route 33 and the Lake Anna Tech Campus ("LATC") on the corner of Haley Drive and Kentucky Springs Road (collectively "the Campuses"). The primary objective of the project is to design and construct a utility system which will provide reliable water (raw and potable) and sewer services to the Campuses. The proposed project will consist of a new raw water pump station near Northeast Creek Reservoir on Route 33 and a new approximately 14-mile raw water pipeline that will serve the Campuses by way of connecting to the new raw water pumping station. The project also includes potable water pipelines that will serve the NCTC from an existing water treatment plant on Route 33, two new sanitary sewer lift stations that will serve the NCTC and located on Route 33, and a new sanitary sewer forcemain that will originate at Thomas Jefferson Elementary School, paralleling Route 33 east for approximately 2-miles to provide service to and end at the NCTC. The County may negotiate a comprehensive agreement with the proposer based on the proposal received.

Chairman Adams opened the public hearing.

Ms. Vicky Harte, Louisa District, appeared before the Board to talk about the project.

With no one else wishing to speak, Chairman Adams closed the public hearing and brought it back to the Board for discussion.

No further discussion took place. This item required no action at this time.

Resolution - Authorizing the Issuance of a General Obligation School Bond to be Sold to The Virginia Public School Authority for the Middle School Addition and the Construction of a CTE Center

The Board has determined that it is necessary and expedient to borrow an amount not to exceed $66,000,000 and to issue its general obligation school bond (as more specifically defined below, the "Local School Bond") for the purpose of financing a portion of the costs of capital projects for school purposes for the Louisa County Public Schools, including but not limited to the financing of an addition at Louisa County Middle School and the construction of a Career and Technical Education (CTE) building, and costs of issuance.

The School Board of the County has, by resolution, requested the Board to authorize the issuance of the Local School Bond and consented to the issuance of the Local School Bond.

Virginia Public School Authority ("VPSA") has offered to purchase the Local School Bond along with the local school bonds of certain other localities with a portion of the proceeds of certain bonds to be issued by VPSA in the fall of 2024. The Bond Sale Agreement shall indicate that $62,120,000 is the amount of proceeds requested (the "Proceeds Requested") from VPSA in connection with the sale of the Local School Bond.

VPSA's objective is to pay the County a purchase price for the Local School Bond which, in VPSA's judgment, reflects the Local School Bond's market value (the "VPSA Purchase Price Objective"), taking into consideration of such factors as the amortization schedule the County has requested for the Local School Bond relative to the amortization schedules requested by other localities, the purchase price to be received by VPSA from the sale of the VPSA Bonds and other market conditions relating to the sale of the VPSA Bonds.

Such factors may result in the Local School Bond having a purchase price other than par and consequently (i) the County may have to issue the Local School Bond in a principal amount that is greater than or less than the Proceeds Requested in order to receive an amount of proceeds that is substantially equal to the Proceeds Requested, or (ii) if the maximum authorized principal amount of the Local School Bond set forth in paragraph 1 below does not exceed the Proceeds Requested by at least the amount of any discount, the purchase price to be paid to the County, given the VPSA Purchase Price Objective and market conditions, will be less than the Proceeds Requested.

Chairman Adams opened the public hearing.

Ms. Vicky Harte, Louisa District, spoke in support.

With no one else wishing to speak, Chairman Adams closed the public hearing and brought it back to the Board for discussion.

On the motion of Mr. Barnes, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to authorize the issuance of a General Obligation School Bond to be sold to The Virginia Public School Authority for the Middle School Addition and the Construction of a CTE Center.

Roll Call	**Vote**
Mr. Tommy J. Barlow	Yes
Mr. H. Manning Woodward, III	Yes
Mr. Christopher C. McCotter	Yes
Ms. Rachel G. Jones	Yes

Mr. R.T. "Toni" Williams, Jr.	Yes
Mr. Duane A. Adams	Yes
Mr. Fitzgerald A. Barnes	Yes

Ordinance - Amending Section 86-123 (ORD2024-08) Growth Area Overlay Districts - Landscaping, Buffering and Screening Requirements

Ms. Linda Buckler, went over the request to amend Section 86-123 of the zoning ordinance. Staff provided information on proposed amendments to the Louisa County Land Development Regulations, Division 5. Growth Area Overlay Standards, Section 86-123. Landscaping, buffering, and screening, The current regulations do not provide for existing vegetation (trees and other plantings) to be considered as part of the planting requirements. Based on the size of the project, as written, this could require a large number of new plantings; while the site may already contain a mature buffer from the public highway or adjacent properties. This is an administrative question that has come up several times since adoption of these regulations in February 2021.

Most recently, this matter has been discussed during review of a civic project, where staff was unable to administratively approve any alternative planting options. Example, as written, a ten-acre project (174 trees) with 120 parking spaces (6 trees) would require a total of 180 ornamental and shade trees. Eight (8) shrubs are required for every tree planted, totaling 1,440 shrubs required to be planted. Staff originally provided two options for consideration.

The first option would give the Zoning Administrator the ability to waive or alter the requirements of Section 86-123 (a) Commercial and civic uses; multifamily dwellings.

The second option would remove civic uses from the requirements of Section 86-123. At the July 11, 2024 meeting, the Planning Commission voted to schedule a public hearing on proposed Option 1; which would give the Zoning Administrator the ability to waive or alter the planting requirements for (a) Commercial and civic uses; multifamily dwellings, provided the project meets the intent of the requirements. The Planning Commission held a public hearing on August 8, 2024.

Staff provided a third option for consideration that was previously not discussed; which would be to amend Section 86-123 to give the Zoning Administrator the ability to waive or alter the planting requirements; and to remove civic uses from these requirements.

The Planning Commission voted to forward a recommendation of approval on the proposed amendments to Section 86-123. Landscaping, buffering, and screening, that will give the Zoning Administrator the ability to waive or alter the planting requirements for (a) Commercial and civic uses; multifamily dwellings, provided the project meets the intent of the requirements (Option #1).

Chairman Adams opened the public hearing.

Ms. Vicky Harte, Louisa District, spoke in support.

With no one else wishing to speak, Chairman Adams closed the public hearing and brought it back to the Board for discussion.

On the motion of Mr. McCotter, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to approve the proposed amendments to ORD2024-08, Growth Area Overlay Districts- Landscaping, Buffering and Screening Requirements, as follows:

ARTICLE II. - ZONING ORDINANCE AND MAPS

DIVISION 5. - GROWTH AREA OVERLAY STANDARDS

Sec. 86-123. - Landscaping, buffering, and screening.

1. *Commercial and civic uses; multifamily dwellings:*

ADD

(3) Landscaping, buffering, and screening requirements may be waived or altered by the zoning administrator provided the project meets the intent of the requirements. Waivers and alterations can be applied for one of the following reasons:

1. Required buffering and screening of the proposed development from a public road or adjacent properties may be waived or altered if the proposed development is adequately screened from the public road or adjacent properties by existing natural forested buffer, that is to be maintained. Maintenance of the existing vegetation will become a condition of final site plan approval. A natural, forested buffer for the purposes of this section is an indigenous, undisturbed, riparian forest with ground cover, shrub, and tree canopy layers. Vegetation that dies or becomes diseased may be removed, after notification to the Zoning Administrator, and submittal and approval of a new plan complying with the requirements of this ordinance.

2. Required buffering and screening of the proposed development may be waived or altered if located within an existing developed project; where the proposed new development is located towards the "inside" of the existing development area; and is screened from the public road or adjacent properties by a combination of existing structures; parking areas; existing vegetation; and/or other unique features specific to the site.

3. Such waivers and alterations may not conflict with the purpose of the requirements.

ADJOURNMENT

On the motion of Mr. Barnes, seconded by Mr. Williams, which carried by a vote of 7-0, the Board voted to adjourn the September 3, 2024, meeting at 9:35 p.m.

BY ORDER OF:
DUANE A. ADAMS, CHAIRMAN
BOARD OF SUPERVISORS
LOUISA COUNTY, VIRGINIA

Subject: Loves truck stop

Dear Louisa County Board of Supervisors and Staff

I'm Ragan Davidson, Jr and I'm with the school board at Salem Christian School located at 35 Church Lane in Louisa, VA. We are a small Christian school that enjoy being in the community and we'd like to thank you all for all your help and support so far. We would like to discuss the pending rezoning that is before you at Rt 522 & I-64 for the proposed Loves truck stop. (REZ2023-01, SEP2023-03, SEP2023-04) This brings many concerns for Salem Christian School as the pending zoning property is within 1/2 mile of our location.

One concern is the increase in large sized truck traffic which would impede with the existing traffic and also create a great risk in traffic accidents and unfortunate deaths. It will also gridlock the area as there is only one bridge which will be a bottleneck (as noted and concerned by the PC) and there's been no mention of adding a bridge.

We have environmental concerns of the sewage going into the ground and contaminating our water table with not only the increase of human waste, but the additional chemicals/oils/fuels entering the ground as well. One way to help with this would be public sewer (which isn't available here yet, as noted by PC) and would only help with sewage and not spills.

This also brings up our water table concerns. We have such a limited supply of water that installing such well(s) for a truck stop might not be adequate for a truck stop. More importantly this will also pose a great problem not only for us, but the existing community, as it would rob us of our limited water resource without a waterline in the area (Also a major concern by the PC, which would also help protect our water). SCS had to install a pump house with a large bulk water storage tank and water filtering that we are required to monitor and extensively test. This costs SCS over thousands of dollars a year and adding to this cost for a profitable business to be paid for by a nonprofit Christian school is not protecting the community you represent. We can't risk anymore large draws on the current water table and completely leaving everyone, including SCS, dried up and waterless.

The larger amounts of hazardous chemicals drastically increases the risks of fire and would require more firefighting and hazmat equipment with a responsible response time from Louisa county.

Our final and most important concern is public safety. Allowing a truck stop not only increases wandering traffic leading to mischief and vandalism, but also encourages prostitution and trafficking (human, child and/or sex) to the area so close to Salem Christian School. This would require a police officer in this corner of the county full time. The current Lousia County Sheriff's Office supports our school, however they don't have enough staff to currently cover this area of the county even without the increase in traffic and/or people. This will also increase crime in the area (as stated by Loves). The resources needed (including but not limited to having a 24/7 officer servicing effected area) will need to be provided (by Louisa county and/or Va state) in order to fully protect this area of Lousia. Even if Loves has an on-site security plan that will only help to protect Loves and spill ALL their problems back into the community and SCS. The CUP also states that Loves would have six (6) months to determine if there measures are working and by then it'll be to late and leave our children/grandchildren at risk and in harms way.

This would also go against the Comprehensive plan and open up future problems for the community. The CUP also has time loopholes (especially with crime and traffic) that even if loves was to adhere to the damage will have already been done to the community. If the CUP were to be revoked it'll be to

late and the community will be stuck with an abandoned truck stop that'll be even harder and much more costly to develop as per the Louisa County Comprehensive Plan.

I would also like to note that Loves has stated that they're going to help the community, however we the school hasn't heard anything from them in a positive manner. I, Ragan Jr., have only heard Mr Chad Burner tell me in his rebuttal at the Planning Commission meeting that As for the school it'll be fine. He hasn't shown any interest in helping the community by just giving generic statements and not reaching out directly.

Allowing this truck stop (whether by rezoning or any other means) will be deliberately irresponsible by all of those involved. It'll leave Louisa County and/or the developer/Truck stop FULLY LIABLE for ANY AND ALL matters that occur at 35 church lane (Salem Christian School). This includes but is not limited to water supply/filtration, vandalism/trafficking, increased crime/fire risk (on site and off site), air quality, septic, on site and off site security, etc.

All this leaves Salem Christian School and others in the area, not only vulnerable now, but extremely vulnerable with increased traffic and/or trafficking volume and/or operation of a truck stop. Would you want this around YOUR KIDS AND/OR GRANDCHILDREN??

Thank you for your time and thoughtful consideration in this matter for the protection of SCS, and our current community's public safety and/or resources.

Your Salem Christian School Board

N. Todd Brooking Bill rooney A Ragan Davidson Jr (804) 370-9904

Please don't hesitate to call or email me, Ragan, with any questions or concerns.

CAUTION: External email

First, I wanted to say Thank You for your time.

I appreciate the opportunity to offer a perspective on the current overall situation in Louisa. I have been a resident here since 2003. I moved here because my husband's family has been here since the beginning of Louisa. I love Louisa and will be a forever Louisa resident, I even moved my parents here. Before living in the Jackson District of Louisa, I lived in a growing community off 295 and 95 on the southern side of Chesterfield, called Chester. I mention this because I can identify with road systems such as Route 10 in Chester, Route 60 in Powhatan and Route 15 in Orange County. Louisa's road systems are not set up like any of these roads and will likely never be. Unless a total bypass of Louisa is created in the future; The town of Louisa will continue to be an unpleasant area to travel through and with our business I have to travel through Louisa weekly. The traffic through town is awful and when school is in session it is at its worst no matter what time of day you drive through. The more houses that are built the more vehicles will be on the road, and let's not be naive, Louisa is considered a "bedroom community", wherein most people who live here do not work here. The new lettuce factory on School Bus Road will need tractor trailers to travel through the town of Louisa which will add traffic that currently is not in my equation. The road in front of our home hasn't been paved since before the 2011 Earthquake and I mention this because the more we grow as a community the more the road structures need to be maintained not just paving but from trash pick up, cutting banks, to potholes this is one area where Louisa is lacking and should work with the state to come up with some real solutions. The roads of this county looked better when we had far fewer resources. Kentucky Springs was just paved in front of the area where Amazon's Data Center is planned to be built so I assume that newly paved road was a waste of money because shortly after building starts with trucks, construction and the water pipeline the newly paved road will be cut up and in need of more paving.

The road structure at Gum Springs where the proposed Love's Truck Stop is supposed to be doesn't have the capacity for what is being proposed without passing the cost to Louisa citizens with VDOT having to maintain the roads and the trash that will come from the facility because some of our citizens don't care about their community so they throw everything out of the car. The company has promised road expansions and extra lanes but the overpasses crossing Rt.522 will be a limiting factor in regards to what can be expanded. Not to mention the proposed stop light for the exit ramp from 64 west. A stop light at this area will add an extra 10 to 15 minutes to travel time it will back vehicles up past where Gum Spring Junction currently is on 522 and down to Owens Creek, I wonder as part of the community how this truck stop will improve the lives of those in the community, especially those living in close proximity. A truck stop that looks ten times bigger than Gum Spring Junction on a map

is not necessary at this location. We are not lacking a gas station in this area, there are three less than a mile from each other. I understand that the land is for sale and something will go into this location and if you listen to the community they would be happy with a smaller scale retail or multi use opportunities even townhomes. I believe there is a big concern with the size of the proposal in addition to the amount of water this facility is planning on using from a well which may have a significant effect on neighbors who rely on their own wells. This feels like something that has not been adequately addressed by Loves or the County, and during a drought easing neighbors concerns about this should be a top priority.

I think Louisa as a whole needs to take a time out and step back, start talking to your neighbors about these issues, start thinking about the amount of water the Amazon Data Centers are planning on using and they are using water from the two towns plus the new homes that are being placed within town limits. I know for a fact that the Louisa Water Facility has had issues in the past keeping the water safe for drinking, the age of the pipes is a rising issue, and again the infrastructure is or will be largely outdated and need maintenance. It won't be long before Louisa will be in need of water because they won't be able to keep supply with the demand that is currently on it. It stresses everyone to everything from not having the correct procedures or the capability to fix the things that are needed to be fixed and bandages are being placed on the failed structures currently. You will lose reliable employees when you ask more than what they can provide. We need to learn from our next door neighbors like Henrico. They grew too quickly and constantly have issues with their water and sewage facilities, their water facility is short staffed more than not.

I would love to see Louisa invest in our own people. Improve abandoned buildings, and homes help those who need trash removed, clean up the county to give us our pride back. Invest in those who are already here who have a heart and soul here in Louisa. Those who just want to reap our resources will only do so until those resources are gone and then they will leave to go to the next best thing. Loves doesnt need to add to their 600 to 700 stores and when/ (i still like to believe) if they do, the majority of the revenue created wont come back to the county. I just don't see its value to the people of Louisa County.

In the past, board of supervisors have been elected for their own personal gain and they walk away. We need to stop the thought of and the perception of corruption in our local government. We cannot show bias or favoritism as an elected official. My mother in law is a former Editor of the Central Virginian and if I submitted a letter to the editor she would not publish it simply because it would show a lack in ethics on her behalf. There is no code of conduct set in stone for editors but they need to show an unbiased opinion and if she published family or friends writings she would have lost trust and accountability in her career and as a person. We have Board Members who have forgotten about how important trust and accountability are to the good people of Louisa. People who have unfortunately created the perception that they are making decisions, not for the county's best interest, but for the interest of themselves and their immediate family members. This must stop immediately.

Our board needs to show integrity and thoughtfulness for our community as a whole. If a large portion of the community does not want something you need to listen to the reasons why and seriously weigh them, not just go through a few extra parliamentary procedures to give the illusion that what we say has some impact on what decision they make. In this situation you have Goochland being directly impacted by the decision on the truck stop, and it is important that the Supervisors communicate with that county as well.

I trust that my letter will be thoughtfully considered and I appreciate you reading it.

Thank you

APPENDIX A

Location, Location, Location

"A city built on a hill cannot be hidden." Matt 5:14

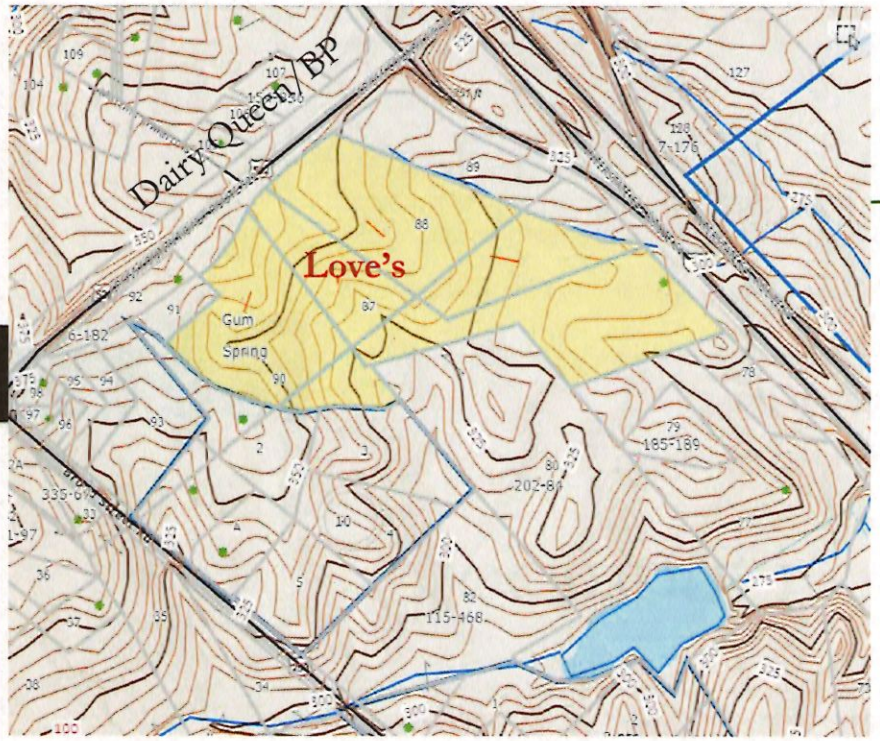

Neither can a Truck Stop

Love's proposed site is 372 ft above sea level, higher than the land between it and Rt. 33.

That location means they can do nothing to successfully mitigate Light Pollution and truck Engine Noise from being visible/heard miles away. All spills, runoff, firefighting foam, and septic malfunction will flow downhill into the streams and delineated wetlands and into the groundwater table, impacting wells on surrounding properties.

The earth isn't flat, and neither is Gum Spring.

APPENDIX A

Dark Sky lighting and leaving some trees won't stop light and noise pollution when Love's is on the highest point in eastern Louisa County. Its elevation would be 370 ft and most areas to the north and east are 50-100 feet lower until you reach the interfluve along which Rt 33 runs.

The Environmental Risk is real - Surface and Groundwater Flow- Topo & Louisa County Drastic Maps

APPENDIX A

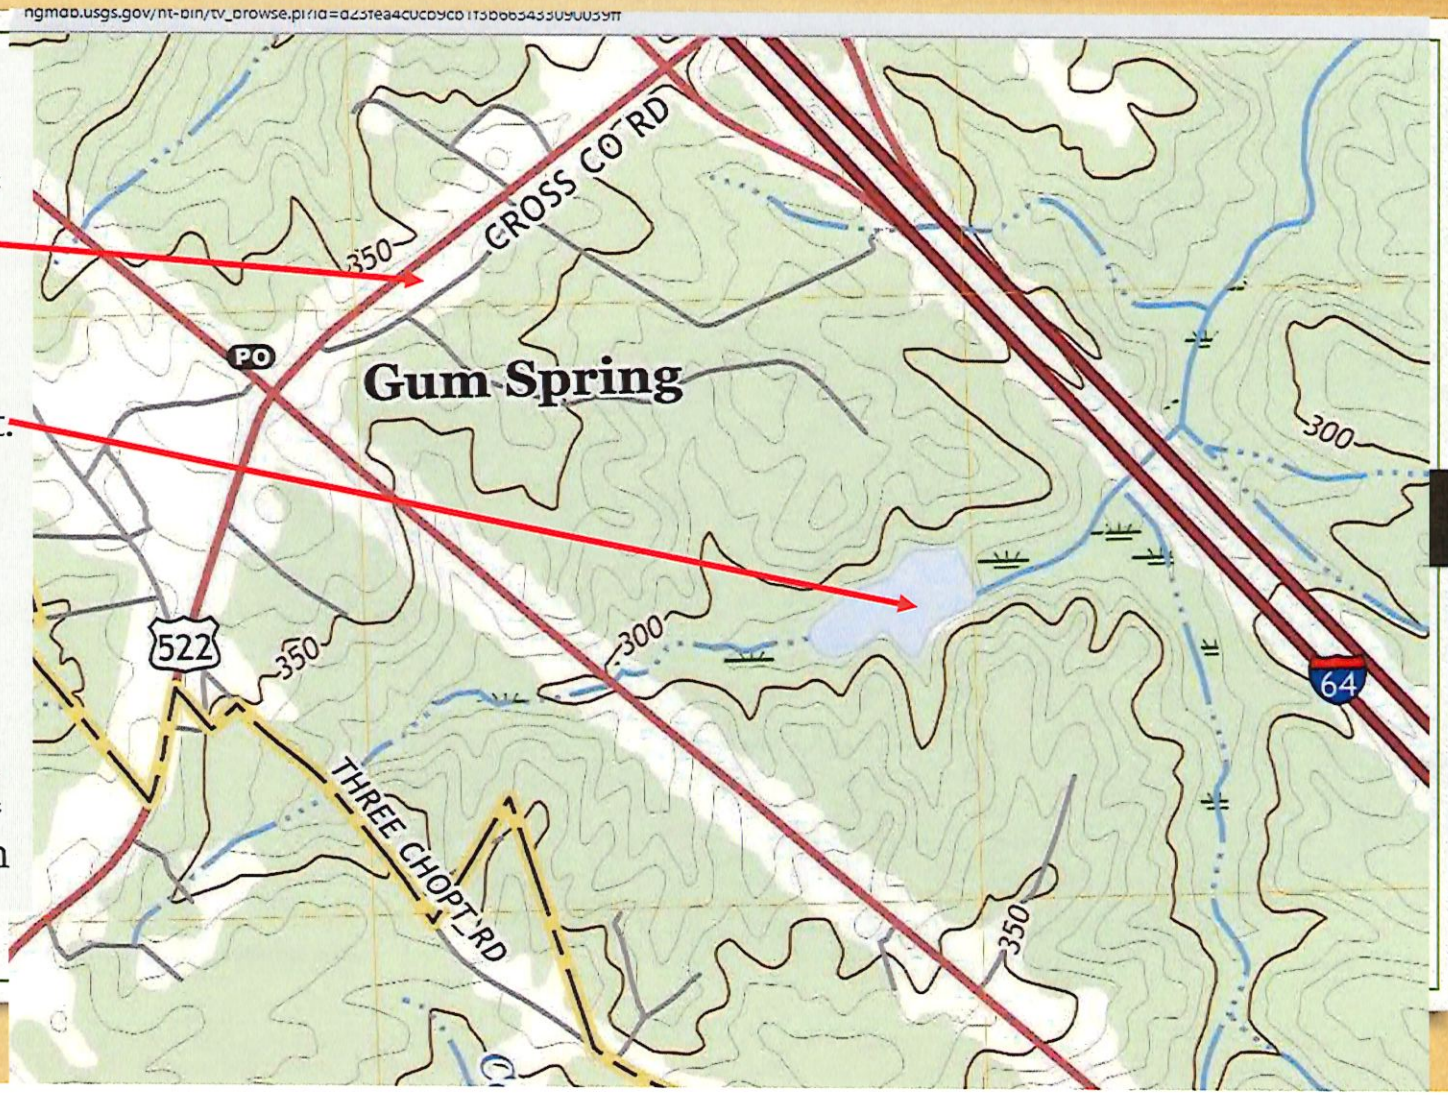

TOPO

Love's Site on high ground. Front Drive at alt 370 ft.

Pond on adjacent properties is at 270 ft.

~100 ft fall over 3,000 feet is a 3% grade.

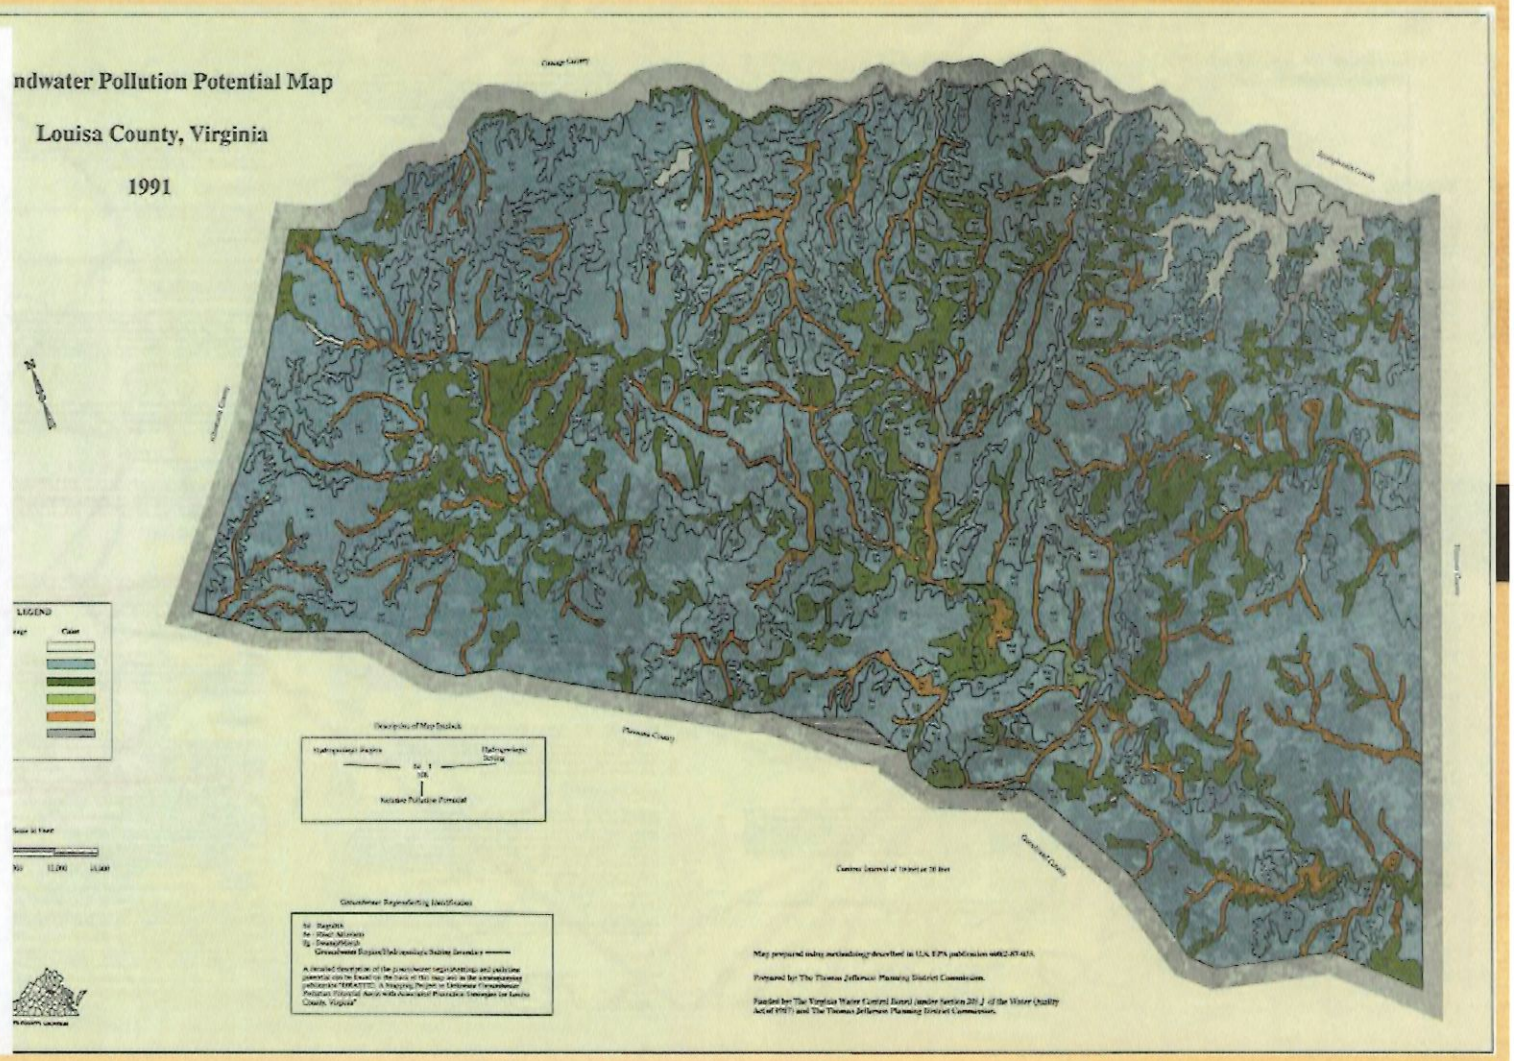

Surface and Ground Water will flow down this slope.

APPENDIX A

2040 Comp Plan recommends this Drastic Map of Groundwater Vulnerability be consulted.

It was not.

APPENDIX A

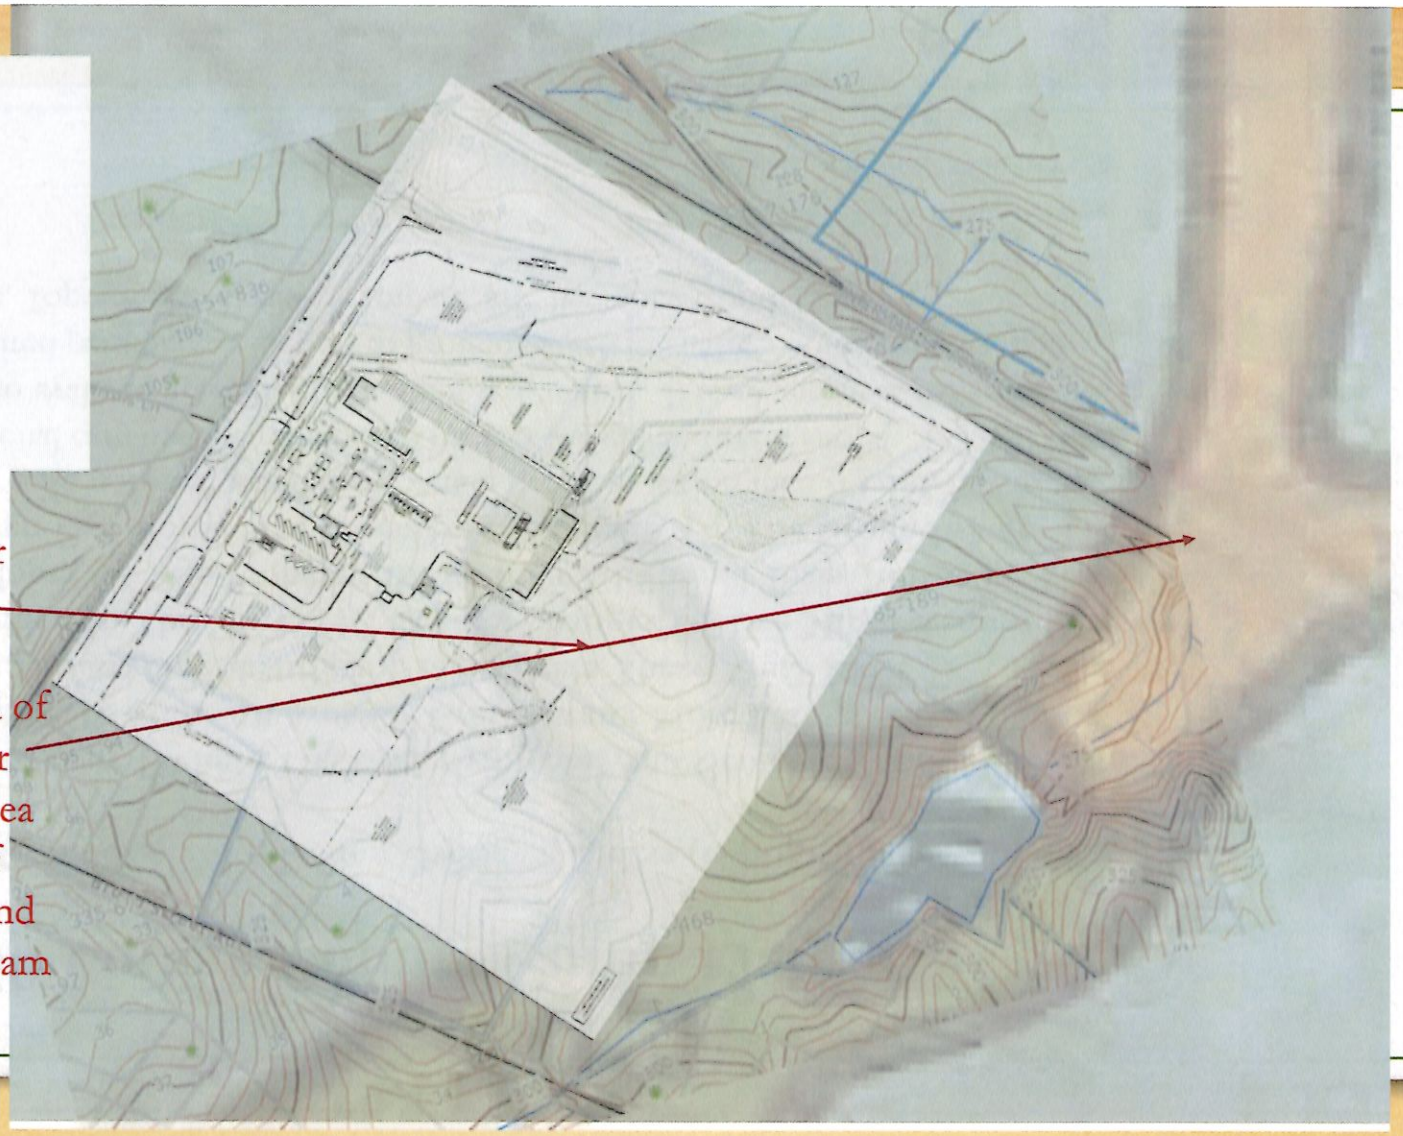

2040 Louisa County Comp Plan, p. 37

3.3.7 Groundwater Protection Overlay Districts (G-pods)

Are Suggested Where The Underlying Soil And Geologic Conditions Combine To Make An Area Of Groundwater More Likely To Be Polluted From Surface Or Subsurface Uses. Where These Areas Exist As Identified In The DRASTIC Report, Changes Of Use Might Require The Developer Of The Property To Conduct Additional Tests To Ensure That A Given Use Would Not Threaten The Quality Of The Groundwater. The districts do not necessarily deny certain uses, but within the GPODs, however, additional care may be required to protect the groundwater supply. DRASTIC is used to evaluate groundwater pollution potential. It is an acronym for seven measured parameters: Depth (to groundwater), Recharge, Aquifer media, Soil media, Topographic Position, Impact, and hydraulic Conductivity.

APPENDIX A

TOPO & DRASTIC Maps & Love's site

Green- Depth to water table less than 5 ft

Red is the highest level of danger of groundwater contamination. This area ranks 185 on a scale of 104-185. Retention pond overflow goes to a stream feeding this area.

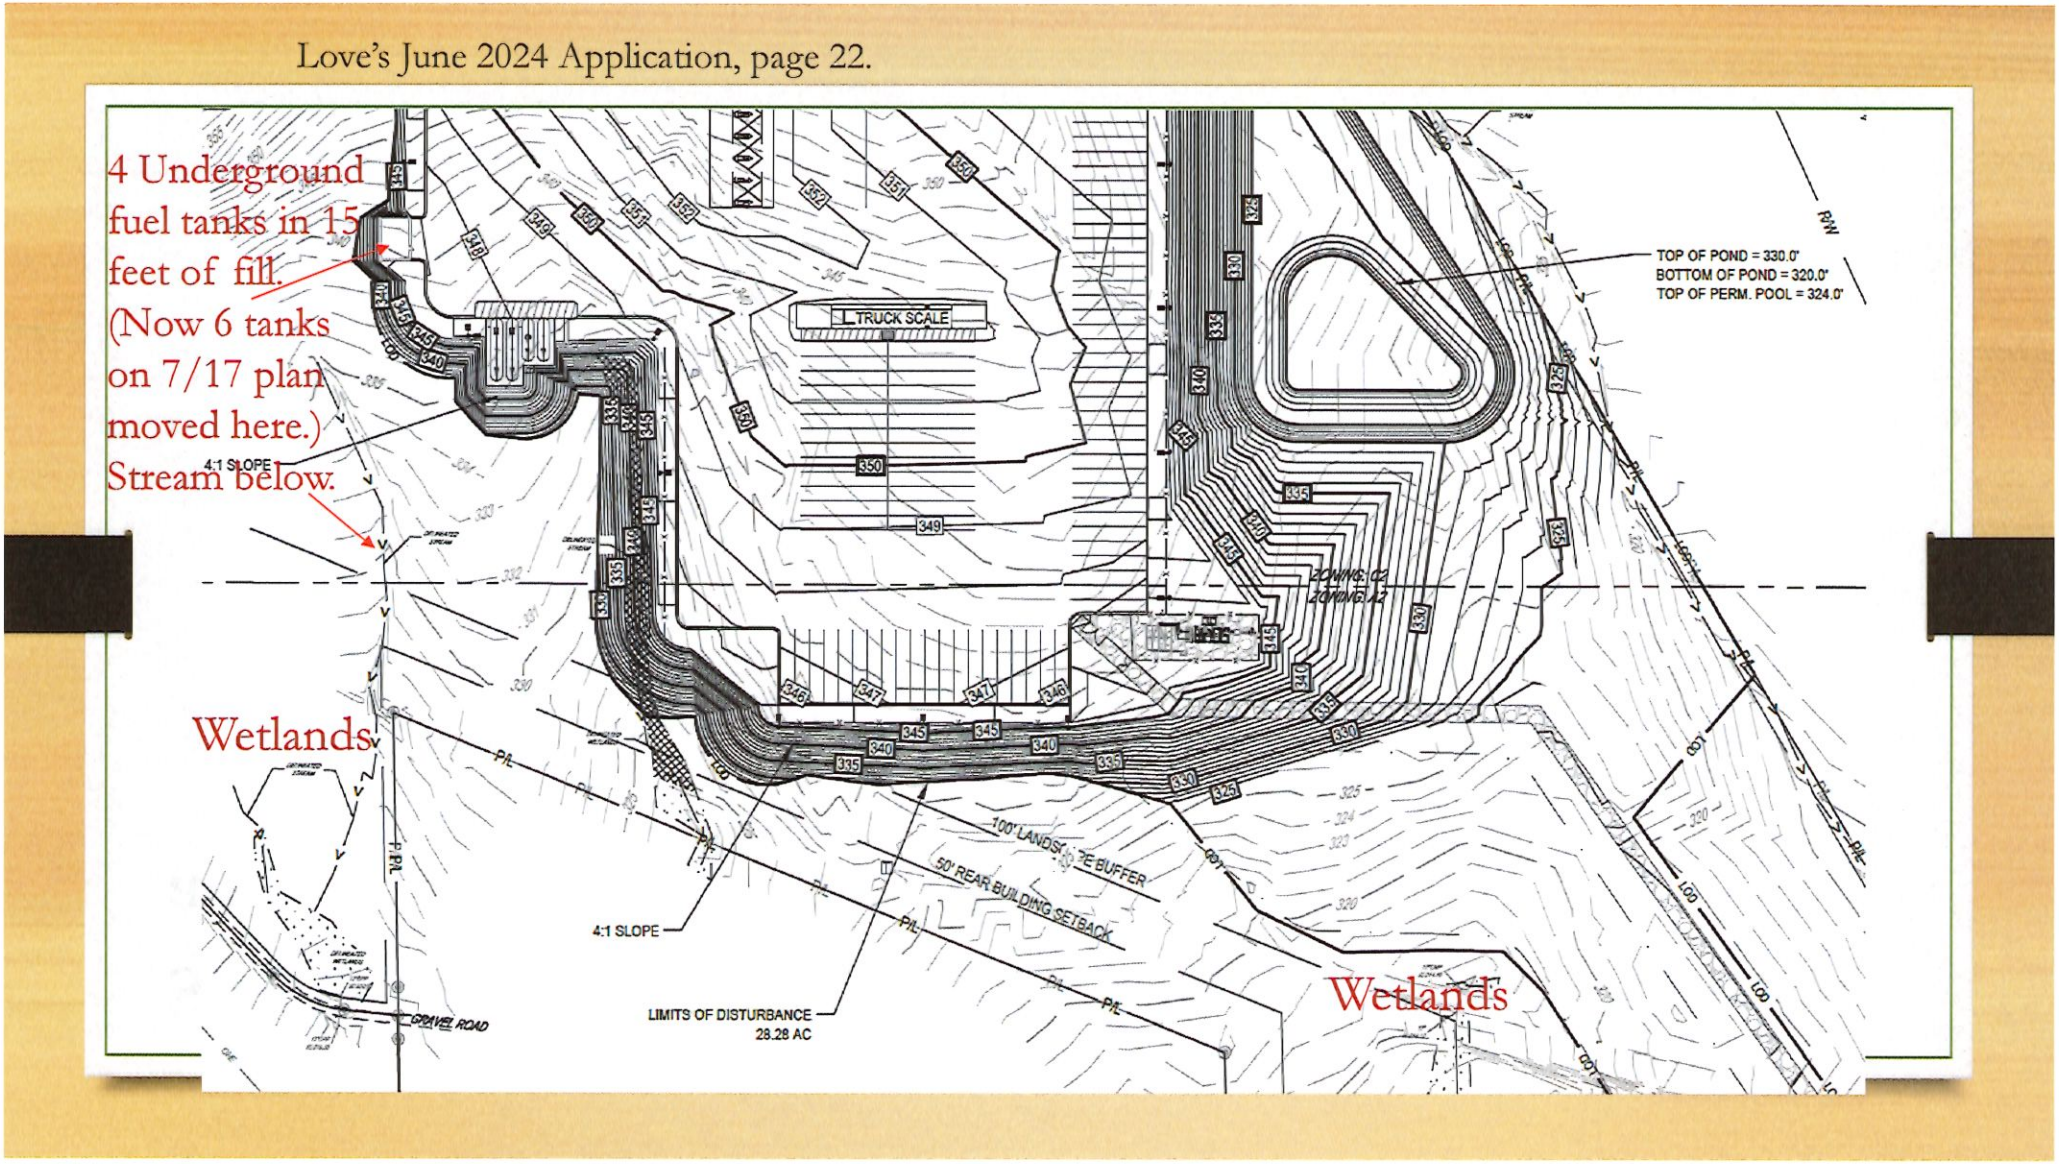

Sudden heavy rains. Runoff from hard surface areas and retention pond overflow…

May 17, 2018. Gum Spring got 6 inches of rain in a summer storm. How will the storm drains and retention pond handle that amount of rain on its 28 acres of mostly hard surface without overflowing into the Red area on the DRASTIC map?

The USGS calculates 6 inches of rain on 20 acres is 3,258,480 gallons of water…on a property graded from 370 feet at the road to 347 feet at the rear where streams flow to areas most vulnerable to groundwater contamination.

Seismic Load from Ground Motion

See notes from Dr. Martin Chapman, VA Tech Seismological Observatory. Dr. Chapman, Professor of Geology, oversaw the monitoring stations in Louisa County during the 2011 Earthquake and knows the area well.

APPENDIX A

Shared with permission of Dr. Martin Chapman, PhD Geophysics, Professor Va Tech
and Director of the Virginia Tech Seismological Observatory (VTSO)

On Tue, Jul 16, 2024 at 9:54 AM Chapman, Martin <mcc@vt.edu> wrote:
Hi Elaine,

The location you mention has experienced low level seismic shaking many times in the past, and was shaken strongly in 2011 during the Mineral earthquake. It will be shaken in the future, as the location is in the **middle of the Central Virginia Seismic Zone**, an area that is well known for a **higher than average frequency of earthquake occurrence.**

That being said, the hazard posed to underground storage tanks by seismic ground motion is not any higher than would associated with above ground storage. **I assume that this construction will be taking seismic loading into account in design and construction**. However, I am not familiar enough with the regulations involved here to offer any real opinion or advice.

Certainly the potential for ground water pollution would be the chief concern, and seismic hazard is just one more source of hazard to a facility such as this.

Martin Chapman,
mcc@vt.edu

APPENDIX A

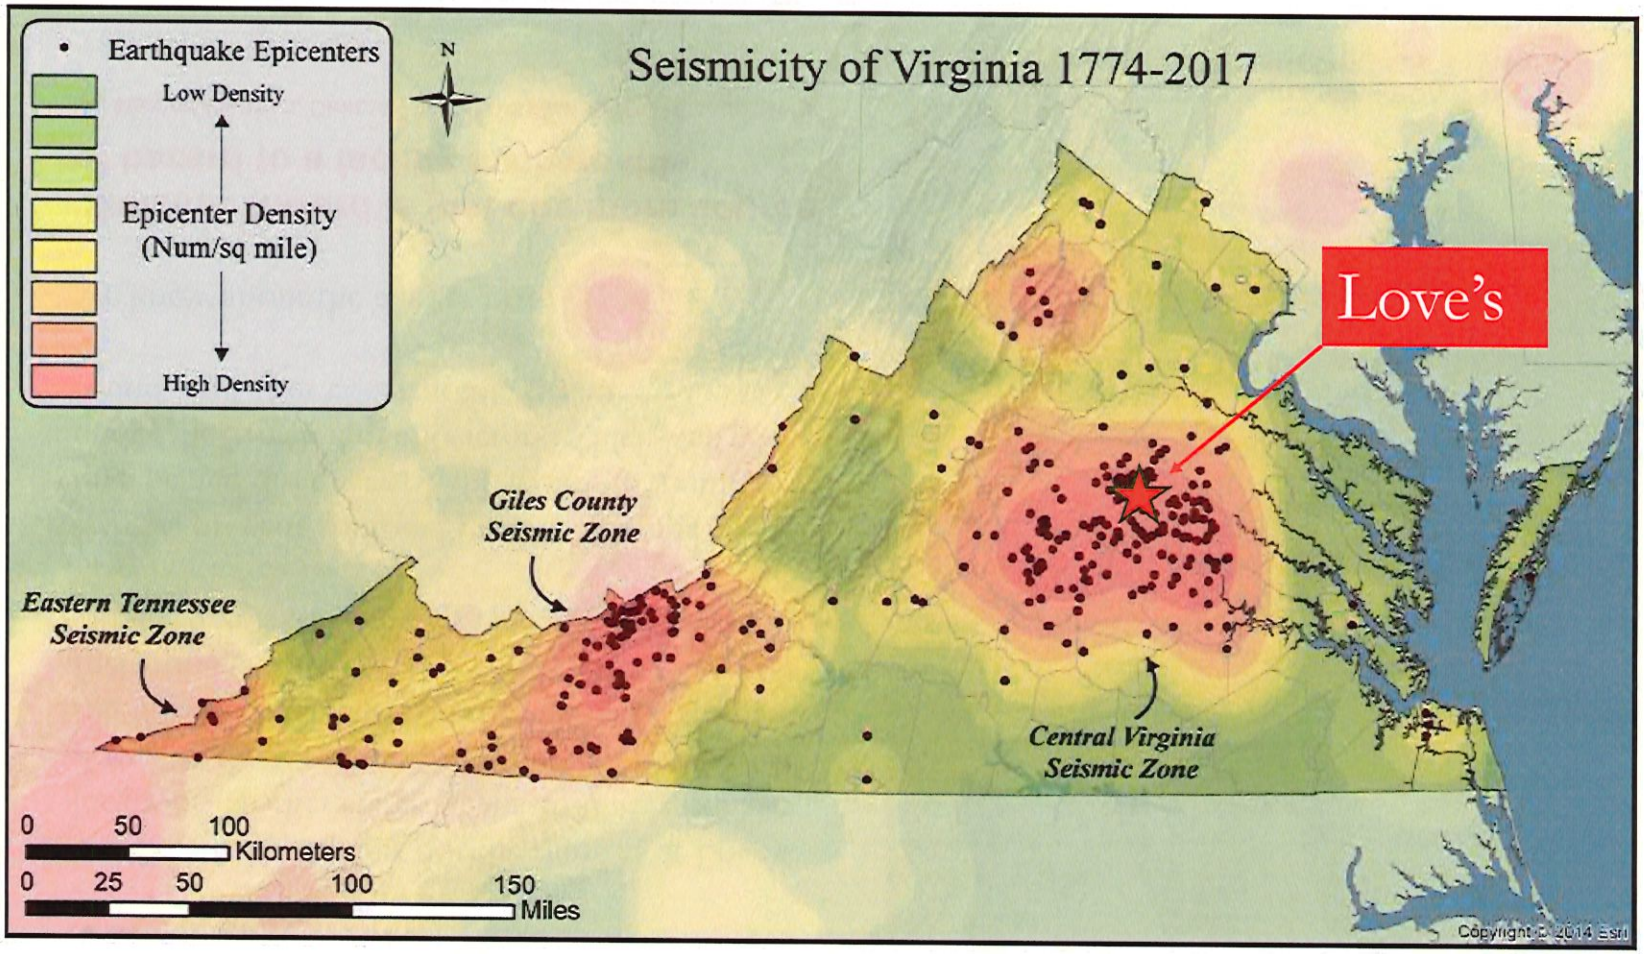

Figure 5. Virginia's seismic zones, defined by areas of increased earthquake density.

APPENDIX A

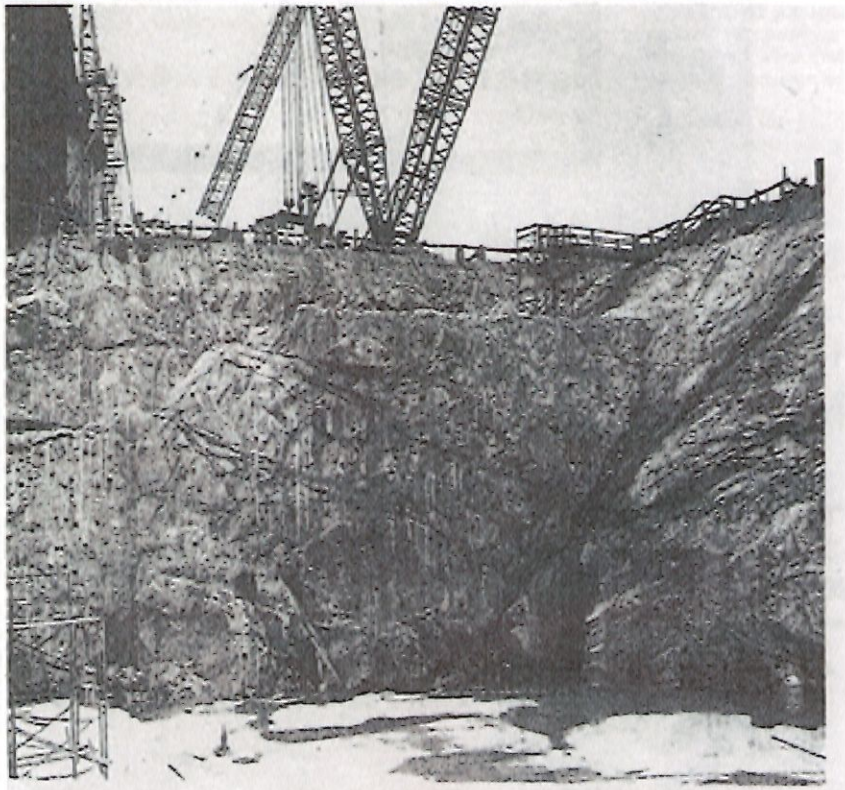

Seismic activity here is not the same as at Love's locations in other states. (Our 2011 Earthquake damaged the Washington Monument and we had significant undulations on the surface. The spent fuel storage tanks at Lake Anna shifted from the vibration in spite of being "securely" anchored.)

Can we prevent another "OOPS!" like the unexpected discovery of the fault line running under the North Anna Reactors, which was not found until after construction began?

We know about the danger now.

"Seismic hazard is just one more source of hazard to a facility such as this."

Dr. Martin Chapman, Director, Va Tech Seismological Observatory

Attention: Deputy Clerk

My household is IN SUPPORT of the development of the Loves Travel Stop in Louisa County in the Gum Spring area. Due to the shortage of truck stops in the area, truck drivers and other vehicle operators currently, unsafely park at the rest areas on Interstate 64 oftentimes on the side of the travel ways due to full parking lots. The overflow of trucks and other vehicles parking on the interstate shoulders creates travel hazards that could be fatal. It should be a priority of Louisa County to provide safe parking areas for citizens and commuters through the county. Creating parking areas that also provide revenue generation for the county is a win-win-win for the drivers, the county, and the citizens. We would rather see a regulated travel center utilizing the available resources than the overdevelopment of housing neighborhoods that has been the unfortunate trend in the county. The travel center would provide price competition and more choices for fuel and supplies commerce in a currently overpriced area. PLEASE SUPPORT the development of the Loves Travel Stop in Louisa County.

Some people who received this message don't often get email from moneymaker.kimberly.p@gmail.com. Learn why this is important

CAUTION: External email

Dear Louisa County Board of Supervisors:

I respectfully request that you honor the Planning Commission's recommendation to deny Love's Travel Stop rezoning and conditional use applications. Please hear the citizens' collective plea against this project and VOTE NO.

A truck stop in Gum Spring

- is incompatible with the surrounding community.
- is contrary to Louisa County's growth plan.
- can cause numerous dangers and problems including: issues with traffic, crime, well water contamination, environmental and health hazards, light and noise pollution, increased demand on emergency responders and other county resources, reduced property values, and accelerated deterioration of roads.
- will diminish the quality of life for those living in and near Gum Spring.

The current infrastructure and proposed changes are insufficient to accommodate a truck stop.

PLEASE VOTE "NO"!

Respectfully,
Kim Moneymaker

Love's Travel Stop: Public Input Survey & Petition

Tuesday, Sep 3 at 6pm | Louisa County Office Building | 1 Woolfolk Ave, Louisa, VA 23093

Name	John Barger
Are you 18 years of age or older?	Yes

You must be 18 years of age or older to participate.

Email	jhnbarger@gmail.com
Resident Status	Louisa County Resident
What is your voting district?	Mountain Road

If you are unsure of your district, please use the Determine Your District online tool.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm?	Yes
Please choose from the following:	I wish to speak during the Neighborhood Meeting on July 10 and would like my name on record in opposition to Love's truck stop.
I do not want Love's truck stop in Gum Spring because of (check all that apply):	Increased traffic and dangerous roads. Danger to wells and groundwater contamination. Increased crime, drugs, and sex trafficking. Decreased property values. Environmental and health hazards for children and other vulnerable populations. A truck stop is incompatible with the surrounding community. We can do better!

Resident Status Louisa County Resident

What is your voting district? Mountain Road

If you are unsure of your district, please use the Determine Your District online tool.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm? No

I will not be attending because... Conflict

I do not want Love's truck stop in Gum Spring because of (check all that apply): Increased traffic and dangerous roads.

I am opposed to the truck stop on one issue only and that's traffic. The other issues can be dealt with. All you have to do is look at Ashland Road/I-64... expect it to be worse (if the truck stop proves to be wildly successful... significantly worse) and Goochland can't seem to get their act together to get the Zion Crossroads type road infrastructure that is sorely needed there. So that is a minimum condition that I would be willing to accept for the truck stop, which is a pipe dream. Otherwise you are screwing your constituents yet again for the big revenue haul... (Lest we forget the Louisa County has gotten a 30%+ windfall in property taxes over the last 3 years on the backs of constituents, offering a paltry one time 5% rebate). No vote of confidence for Louisa County. I have been here 10 years now and beginning to regret the decision.

What is your voting district? Mountain Road

If you are unsure of your district, please use the Determine Your District online tool.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm? No

I will not be attending because... I have already attended previous meetings and expressed my opposition to Love's. I cannot give the county or the applicant anymore of my time.

I do not want Love's truck stop in Gum Spring because of (check all that apply):

Increased traffic and dangerous roads.

Danger to wells and groundwater contamination.

A truck stop is incompatible with the surrounding community.

Love's Travel Stop: Public Input Survey & Petition

Tuesday, Sep 3 at 6pm | Louisa County Office Building | 1 Woolfolk Ave, Louisa, VA 23093

Name	Deb Black
Are you 18 years of age or older?	Yes

You must be 18 years of age or older to participate.

Resident Status	Non-Louisa County Resident

If you are unsure of your district, please use the Determine Your District online tool.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm?	Yes
Please choose from the following:	I do not wish to speak during the Neighborhood Meeting, but would like my name on record in opposition to Love's truck stop.
I do not want Love's truck stop in Gum Spring because of (check all that apply):	Increased traffic and dangerous roads. Danger to wells and groundwater contamination. Increased crime, drugs, and sex trafficking. Decreased property values. Environmental and health hazards for children and other vulnerable populations. A truck stop is incompatible with the surrounding community. We can do better!

I will not be attending because... 4-6pm is not an equitable time for working class citizens.

I do not want Love's truck stop in Gum Spring because of (check all that apply):

Increased traffic and dangerous roads.

Danger to wells and groundwater contamination.

Increased crime, drugs, and sex trafficking.

Decreased property values.

Environmental and health hazards for children and other vulnerable populations.

A truck stop is incompatible with the surrounding community.

We can do better!

A truck stop seems large for the size property/area that has been chosen. Inevitably more business will follow: food, hotels etc. So many private homes already exist in this area. Choosing to move into this is one thing. Having the choice be forced upon you is different.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm? Yes

Please choose from the following: I do not wish to speak during the Neighborhood Meeting, but would like my name on record in opposition to Love's truck stop.

I do not want Love's truck stop in Gum Spring because of (check all that apply):

- Increased traffic and dangerous roads.
- Danger to wells and groundwater contamination.
- Increased crime, drugs, and sex trafficking.
- Decreased property values.
- A truck stop is incompatible with the surrounding community.
- We can do better!
- Noise of brakes exiting from 64, trucks idling all night, lights-I know you say there will be no light pollution, but there will be. Increase traffic and access to and from 64 is too much for this area. I am listening to miles away and Goochland County. This affects those of us and Goochland more than most Lewis Louisa residents-except those on 522, which will probably become a shortcut from Culpeper.

If you are unsure of your district, please use the Determine Your District online tool.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm?	Yes
Please choose from the following:	I wish to speak during the Neighborhood Meeting on July 10 and would like my name on record in opposition to Love's truck stop.
I do not want Love's truck stop in Gum Spring because of (check all that apply):	Increased traffic and dangerous roads. Danger to wells and groundwater contamination. Increased crime, drugs, and sex trafficking. Decreased property values. Environmental and health hazards for children and other vulnerable populations. A truck stop is incompatible with the surrounding community. We can do better! The best location of Louisa will lose its opportunity to be prosperous like Short Pump.

Love's Travel Stop: Public Input Survey & Petition

Tuesday, Sep 3 at 6pm | Louisa County Office Building | 1 Woolfolk Ave, Louisa, VA 23093

Name	Janet Brooking
Are you 18 years of age or older?	Yes

You must be 18 years of age or older to participate.

Email	Janet_Brooking@Comcast.net
Resident Status	Non-Louisa County Resident

If you are unsure of your district, please use the Determine Your District online tool.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm?	Yes
Please choose from the following:	I do not wish to speak during the Neighborhood Meeting, but would like my name on record in opposition to Love's truck stop.
I do not want Love's truck stop in Gum Spring because of (check all that apply):	Increased traffic and dangerous roads. Danger to wells and groundwater contamination. Increased crime, drugs, and sex trafficking. Decreased property values. Environmental and health hazards for children and other vulnerable populations. A truck stop is incompatible with the surrounding community. We can do better!

Love's Travel Stop: Public Input Survey & Petition

Tuesday, Sep 3 at 6pm | Louisa County Office Building | 1 Woolfolk Ave, Louisa, VA 23093

Name	Lee Lindsey
Are you 18 years of age or older?	Yes

You must be 18 years of age or older to participate.

Email	leelindsey1@gmail.com
Resident Status	Non-Louisa County Resident

If you are unsure of your district, please use the Determine Your District online tool.

Will you be attending the Board of Supervisors meeting Tuesday, Sep 3 at 6pm?	No
I will not be attending because...	I will be on vacation that week. My family and I live in Sandy Hook, in Goochland County. I've lived there for 20 years. I'm adamantly against Love's Truck Stop. It will adversely impact Gum Spring and does not represent the type of community in which I want to live.
I do not want Love's truck stop in Gum Spring because of (check all that apply):	Increased traffic and dangerous roads. Danger to wells and groundwater contamination. Decreased property values. A truck stop is incompatible with the surrounding community. We can do better!
Signature
